I'll ask Republic for a bin, thank you.

It's also hard to schedule such jobs since it will be based on their observations in the field. The SLO's has been reacting in the moment to these requests and scheduling them would only delay the job.

Hi Ashley,

LASAN has the capacity to handle the illegal dumping in Watts and we would be happy to service the locations that are of priority to LAPD. They can work with me and send me the locations and /or we can meet them at the locations that are of concern. We would appreciate a collaboration where we are able to do our jobs while supporting them in theirs. If they would like us to expand our illegal dumping investigations in the division we are also open to working together on that. LAPD can have their point person contact me via email or on my cell 310-926-4844.

Thanks,

Sarah

Hello Sarah,

I hope this email finds you well during this pandemic. I have attached a Bin Request Form for LAPD's illegal dumping clean ups this upcoming Tuesday. I know this is on short notice, but I am hoping you can assist us with this request! Thank you for all your help in advance.

Stay Safe & Healthy,
